

National Association of College & University Food Services (NACUFS) institutional members include private colleges to large public universities, two-year colleges to four-year universities, and span the U.S., Canada, United Kingdom, and beyond. You are welcome to join whether you are self-operated, or contract managed.

Annual membership dues for institutions are based on your annual foodservice revenue, in U.S. dollars, and based on a calendar year, January – December. All team members can have access to the membership benefits.

The 2025 calendar year dues are:
