Connect across the campus dining operation

Showcase brings together the professionals who evaluate products, guide purchasing decisions and introduce new solutions across campus dining. Attendees represent public and private institutions, community colleges and universities of varying sizes and operating models.

Showcase attracts professionals with influence across the full campus dining operation, including:

Dining directors

Executive chefs

Operations leaders

Procurement professionals

Sustainability leaders

Technology professionals

Catering managers

Dietitians and nutritionists

C-store operators

Make the most of one focused marketplace

Attendees arrive ready to:

Discover products

Evaluate solutions

Build partnerships

Here's what 2026 National Showcase attendees are saying:

"We found a whole line of products we are making a sweeping switch to. It'll save us thousands over the course of a year."

Associate director, large 4-year institution

"We have been trying to find a solution for our university, and it was nice to see options that are available, in person."

Procurement director, large 4-year institution
